VINYL-COATED STEEL GARAGE DOORS,
WITH CLASSIC CARRIAGE HOUSE DETAILS.

YOUR #1 GARAGE DOOR AUTHORITY SINCE 1973

ABOUT THE SERIES

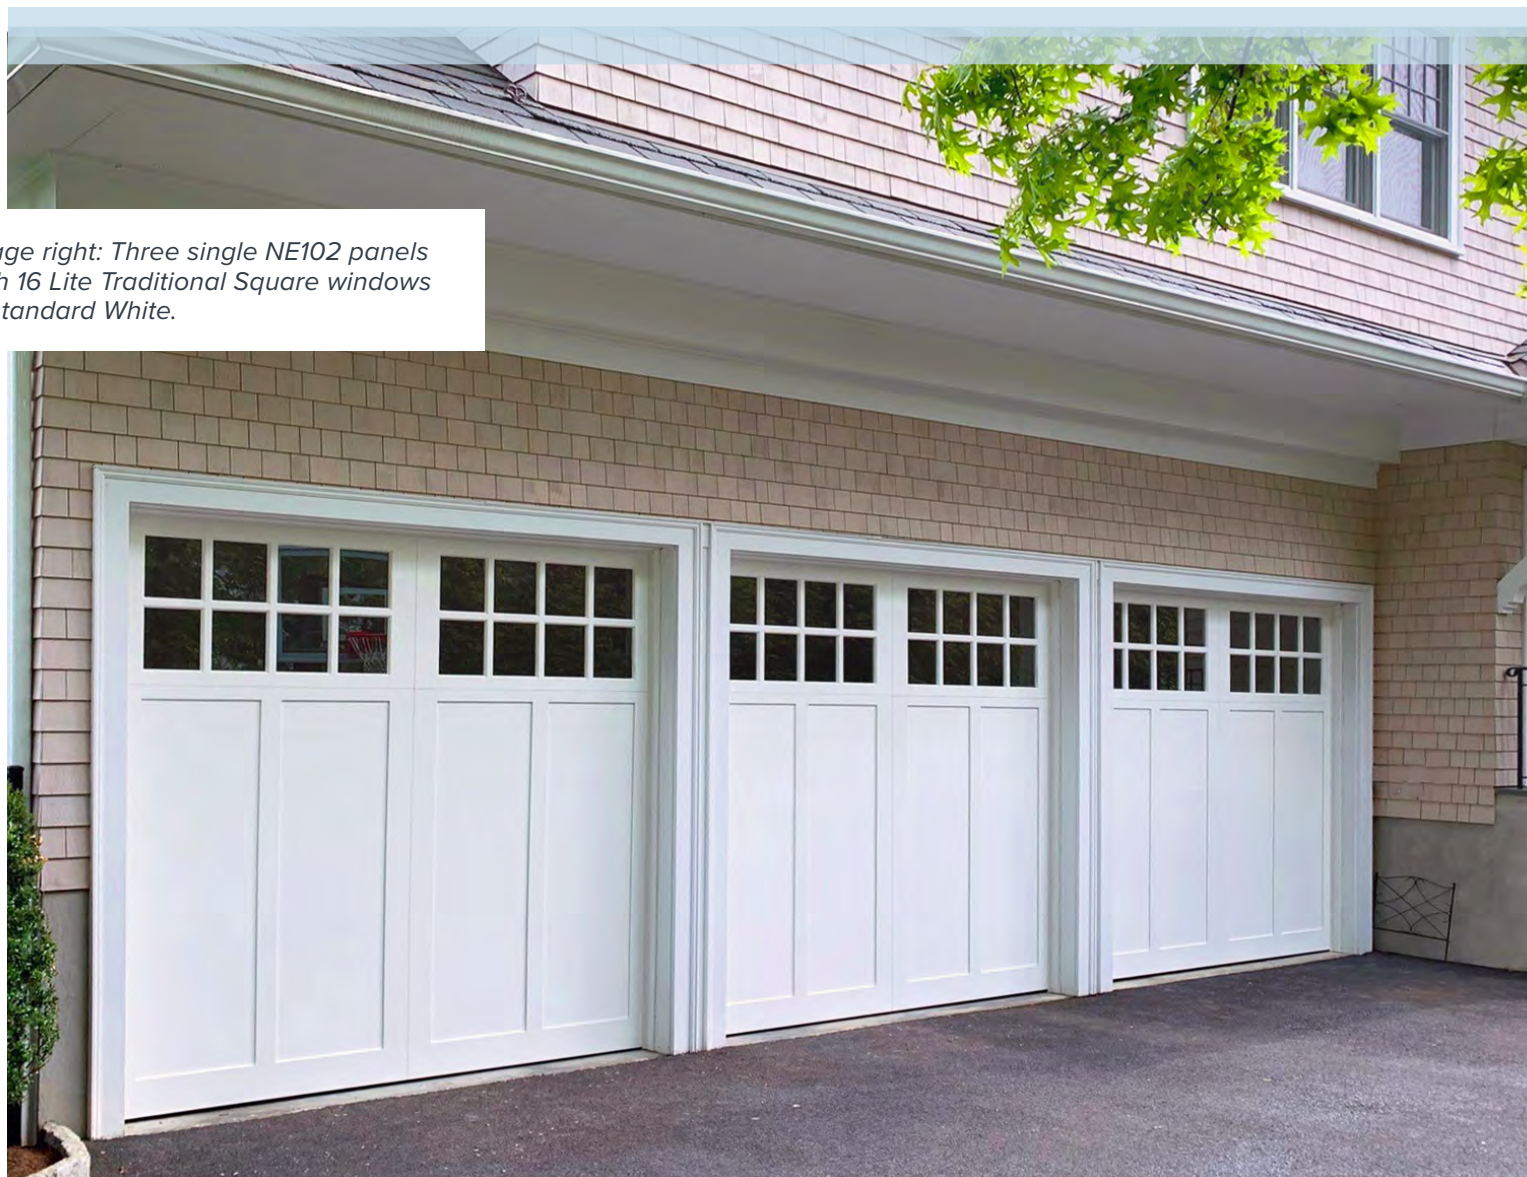

PRODUCT OVERVIEW

At Garage Headquarters, we believe your garage door should enhance your home's style while standing up to the elements. The Newport Series blends the classic charm of carriage-style doors with modern, maintenance-free durability.

Crafted with ultra-durable, vinyl-clad steel, Newport Series doors feature single-piece, precision-applied composite overlays carved from smooth, sustainable Tricoya. These doors are built to last, maintaining their beauty and strength for years to come. Due to the vinyl coating and overlays, you don't have to worry about your location affecting performance—whether you're near the ocean or anywhere else, your warranty stays intact.

The Newport Series isn't just about looks; it's about lasting quality, designed to fit seamlessly into the character of any New England home.

THE NEWPORT DIFFERENCE

DOOR CONSTRUCTION

The Newport Series lives everywhere - even near the ocean without rotting and rusting. The durable high-impact vinyl-coated exterior and perimeter joints are constructed to completely seal out the elements with timeless style.

INNOVATIVE CONSTRUCTION FEATURES —

of the NEWPORT SERIES from GARAGE HEADQUARTERS

1 Interlocking tongue and groove vinyl-coated sections joints to tightly secure your garage.

2 Beautiful smooth Finish on a 20-gauge face. There is no stamped woodgrain texture.

3 Laminated, insulated core to increase energy efficiency and reduce noise.

4 Solid composite overlays with a Cope and Bead edge for detail. Many of the other doors offer hollow overlays resulting in less durability and quality.

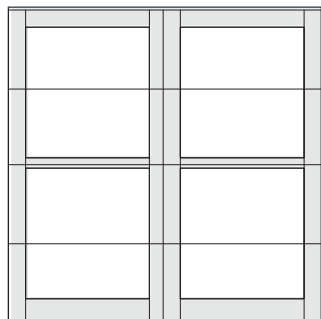

5 High-impact prefinished interior cover and our signature heavy-duty bottom astragal to protect and seal out the elements.

MAKE IT YOUR OWN

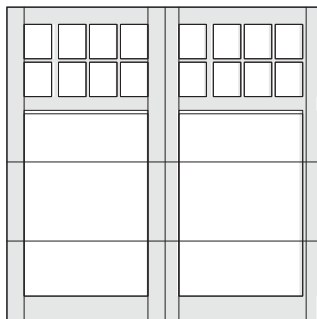

DOOR STYLES

Newport Series doors can be left unfinished, naturally white showcasing our vinyl-coated steel and Versatex overlays and grille face. All factory finished doors will be made with Tricoya and coated using our proprietary paint and faux stain system. A high-performance, finish to last!

OUR SIGNATURE FULL-PERIMETER WEATHER SEALING SYSTEM

LIMITED LIFETIME WARRANTY

Vertical Short Panel, Brown Painted Finish with Obscure Insulated Glass

SUPERIOR WEATHER SEALS

Our signature full-perimeter weather sealing system ensures your garage door will stand the test of time.

The weather seal edge banding prevents water from penetrating any of the door's sides, including along the top and bottom. Superior weather seals is included in every door we sell, an integral part of every Garage Headquarters installation experience.
