YOUR #1 GARAGE DOOR AUTHORITY SINCE 1973

ABOUT THE SERIES

PRODUCT OVERVIEW

Authentic carriage house looks with modern functionality to complement your home's exterior. From a distance, the Weston Series looks like delicate, dignified wood. This low-maintenance steel-clad series offers an authentic carriage house look without the need for constant cleaning and annual treatments. The Weston Series is built three sections high to replicate the true look and feel of a traditional carriage house door, complete with an array of hardware options to complete the illusion.

Go ahead and fool your neighbors, deception never looked so good.

THE WESTON DIFFERENCE

DOOR CONSTRUCTION

With in-between-section thermal seals with an air infiltration rating as low as .08cfm, Weston Series door seals help to provide superior resistance to the elements. HCFC-free insulation increases the thermal efficiency of your garage door to help maintain the temperature in your garage, increase your home's energy efficiency and reduce noise from the garage.

SUPERIOR WEATHER SEALS

Our signature full-perimeter weather sealing system ensures your garage door will stand the test of time.

The weather seal edge banding prevents water from penetrating any of the door's sides, including along the top and bottom. Superior weather seals is included in every door we sell, an integral part of every Garage Headquarters installation experience.
